The Mooresville Town Council met on Tuesday, May 20, 2014 at 6:30 P. M. at the Mooresville Government Center.

Town Council members present: President Mark Mathis, Vice-President Virginia Perry, Tony Langley, George Watkins, and Jeff Cook. No members were absent. Town attorney Tim Currens was present.

George Watkins gave the invocation.

Amy Miller, Cornerstone Grants, reported to the council on the North Indiana Street ditch project. Mooresville scored a 42% on the low to moderate income during the study and had to score a 51% to qualify. So, Mooresville can't apply for grants. They need to qualify for a construction project and we just missed this year funding. There may be OCRA dollars at the end of the year. Amy thinks a targeted income study should be done for just the part of town that is concerned. She has someone who helps her do this type of study by mail. Amy also said the Town should hire an engineer to determine who benefits most from the work to be done. The targeted income study usually cost between \$2,000 and \$2,500.

Mindy, Mooresville Chamber of Commerce, presented a request for the closing of Main Street from Indiana to Clay Street for Mardi Gras from 5:00 P. M. to 11:00 P. M. on June 19, 2014. A motion was made by Councilman Langley to approve and a second was made by Councilman Cook to grant the street closing request. Motion carried 5-0.
